

DECLARATION OF CONFORMITY OF MATERIALS INTENDED FOR CONTACT WITH FOOD PRODUCTS

Products: Cake bases, Cake trays

67624 ZK-28 CH (2400G) ZK Złoto-Czarny krążek 28 2400g gładki/50

The manufacturer (Italy) declares that the products described in this declaration have been delivered for the packaging of dry bakery products, biscuits, dry cakes and fresh cakes (Ref 02.05 and 2.06 European Directive 85/572 EEC and DM 26/04/1993 N. 220) and complies with the following Community and national legislation:

- Regulation EC 1935/2004,
- EC Regulation 2023/2006,
- Regulation EC 10/2011 with subsequent updates,
- Legislative Decree no. 108 of 25/01/1992 and subsequent updates and amendments
- Ministerial Decree 03/21/1973 and subsequent updates and amendments
- Decree of the President of the Republic No. 777 from 08/1982 and subsequent updates and modifications.

The material, in the food contact area, is suitable for direct contact with dry bakery products such as biscuits, dry cakes and fresh biscuits, dry pastries and fresh pastries

The user is responsible for communicating to the Producer (Italy) any restrictions resulting from the composition characteristics (presence of additives and flavorings) of the food product to be packed.

This declaration is valid from the date below and will be superseded when there are significant changes in the production of the material that may change some essential compliance requirements or when the legal references cited are modified and updated to require verification for compliance purposes. This declaration is valid for a maximum period of 24 months.
