

PRODUCT DATA SHEET

Product name Night Orient Alternative to Spirits 12 Botanics 70 cl

Product description Gin is a spirit highly appreciated by white alcohol and cocktail enthusiasts, to the extent that the existence of a non-alcoholic version might surprise many. It was created centuries ago. Now there is Night Orient Alternative to Spirits 12 Botanics, a gin alternative, light and dry, with typical citrus aromas, ideal for a classic 'Gin and Tonic,' but also suitable for countless cocktails. Juniper berries, cardamom, coriander, oranges, bitter oranges, lime, cinnamon, orange blossom, violet, hibiscus, lavender, and myrtle are present in our Alternative to Spirits 12 Botanics Night Orient.
