

UAB Sanitex
Greta Bakutiene
Raudondvario pl. 131
47501 Kaunas
LITHUANIA

Declaration of conformity with the EU regulation number 1935/2004

We hereby certify that the following products delivered to UAB Sanitex meet all requirements of the EU Regulation No. 1935/2004 of the European Council and the European Parliament of 27 October 2004 due to the material composition:

Product	Name	Materials
15426	Kitchen sieve medium Ø 26 cm	stainless steel AISI 302 (mesh) stainless steel AISI 304 (frame) stainless steel AISI 201 (Handle + Hook)

In particular, it is ensured that

- the material is sufficiently inert that no substances in quantities hazardous to health are transferred to foodstuffs
- no active or other new materials are used.

Due to the material properties, the above products are to be classified as food safe in the sense of EU Regulation 1935/2004.
